

# NEW BLUE CAREERS IN ADVANCED MANUFACTURING

## TEAMWORK EXERCISES

1. Identify 10 Texoma industries.

---

---

---

---

---

---

---

---

---

---

2. List as many of the products that you can find in the next 10 minutes that are Made in Texoma.

---

---

---

---

---

---

3. Choose a product from question 2 and infer which manufacturing sector it is produced in and what equipment, skills, and resources may go into its production. Draw a flow diagram of how you believe the product is produced starting from raw materials.
